That's a Wrap

2020 Conference Summary

We have found ourselves navigating this unprecedented year in many new ways: remotely, virtually, at a distance. The list continues with all the “new” we have experienced this year. ATI was no exception to new experiences, especially for the Conference Committee. Hotel bookings were replaced by video conferencing software and the traditional in-person happy hour was swapped with pre-presentation chatter and hellos from all over the county.

Over the course of six weeks, beginning

the last week of July and working through to the first week of September many of us found ourselves logging onto Teams every Tuesday and Thursday afternoon. We were lucky enough to have great content on new topics each week followed by a question and answer session with the presenters. Although this years' format was new the substance of each presentation and Q&A was valuable.

ATI adapted with the dilemmas 2020 has brought and strived to make sure Membership continued to have access to resources, discussion opportunities and more. With pleasing feedback from attendees, ATI can safely say the first virtual conference was a success. ATI Committees and the Board of Directors look forward to bringing information and regular chances of learning and participation in the field of Travel Instruction. ●

Welcome Aboard!

Congratulations to Our New Board Members

ATI is happy to announce three new board members elected this past month at the conclusion of the 2020 virtual Conference.

- ◆ **Felish Barbee** – RTA (Regional Transportation Authority, Chicago)
- ◆ **Melody Bundy** – NJTIP (New Jersey Travel Independence Program)
- ◆ **Mike Culver** – MMP (Mobility Management Partners)

Congratulations to the new board members as well as the reelected members. ATI looks forward to the new ideas and talents each will bring. Also announced, ATI's newest President-Elect is Sean Powers. Sean is excited to fill the upcoming role. ●

Success Street

In honor of ADA's 30th Anniversary this past July 2020, Minnesota Valley Transit Authority hosted an ADA refresher course for the bus operators. There were five stations set up for operators to experience:

- ◆ Lifts/Ramps
- ◆ ADA Q&A
- ◆ Service Animals
- ◆ Mobility Device Securements
- ◆ Blind/Low Vision Awareness

The brilliant connection that developed from this event between Helping Paws and MVTA has been ideal. Moving forward, MVTA offered to assist Helping Paws with the training of their service dogs. Helping Paws trainers and dogs can use MVTA's out-of-service vehicles to train and familiarize the dogs on lifts, ramps and rides. The dogs will be able to practice boarding and deboarding during their training period. Truly a win-win situation. ●

Annual Conference Certificates are Available!

If you attended one session or all of this year's virtual conference and would like to have a certificate reflecting those hours, please contact the Professional Development Committee at info@travelinstruction.org or 928-212-5161. Please note: The certificate is emailed as an 8.5 x 11" PDF.

Professional Development Committee Update

The PDC Committee (Raven A., Siena L., Steve G., Peggy G., Shawn C., and Anthony J.) was still working behind the scenes of the Annual Conference to prepare for a busy fall season! Besides processing and emailing out certificates of completion, the group is creating the 2020-2021 schedule of upcoming webinars and teleconferences. Another new project: a resource board is being added
